Meals for the Families

The Little Jason Childhood Cancer Foundation to provide meals to families at Rainbow Babies and Children's Hospital.

Thank you to everyone who came to our event at Buffalo Wild Wings in Strongsville Ohio! Your participation in this event has made it possible for us to help bring relief to families and joy to their sick children as they do battle with cancer. To share a personal experience, when our son, Jason Jr was sick and in bed, all I wanted to do was to stay at his bedside and not have to leave at meal time to find something to eat. It is with this experience and understanding in mind that the Little Jason Childhood Cancer Foundation, through your support, is now able to provide 80 meals (initially) to families with children fighting cancer. The meals for the families will be brought to them so that they can stay and eat by their sick child's bedside.

It is our intention to continue this program as long as funds allow so please consider participating in one of our events, buying an event t-shirt <http://littlejason.org/Products.html> or sponsoring a cyclist in our upcoming event Cycling for Childhood Cancer <http://littlejason.org/Events.html>.
